Workshop title: Delivery for an A/A's

Date: 6/12

Overall, what was your impression of today's workshop? (Content and depth, trainer(s) delivery & programme)

Jarvis is brilliant. Know the ups inside out and has useful insight over and above examiner's reports. He did have a great focus on A/A's

Were there any specific strategies or techniques that stood out to you during the training? In what ways, do you believe the training event will influence your delivery/lesson planning?

Flip the learning a little more than I currently am and Global. Focus better to give it.

What areas of today's workshop require improvement? How can we ensure you attend another event with us?

Slight disconnect between practice - the markers don't appear to be pleased. Very different styles.

What other topics or areas of professional development would you like to explore in future training events? Are there any specific needs or interests you have in mind?
